## DELIGHTFUL AFFAIR

Was the Reception and Social at the Third Street M. E. Church Last Evening

The reception and social at the Third Street M. E. Church last evening was a most delightful affair in every respect. The Sunday-school room had been artistically decorated for the occasion with daisies, roses, ferns and other flowers, so that it presented a beautiful appearance.

At an early hour a crowd testing the capacity of the room gathered, and while Oulton's Orchestra rendered beautiful music the crowd got acquainted with each other and enjoyed a splendid time socially.

At 8:15 the Q. Q. Quartette appeared and rendered in their inimitable style several selections, which put the crowd in a good humor for the evening.

The great event of these social affairs is the reading of the League's Quinquennial Literary Ledger. This magazine has come to stay, and each issue improves, so that we may expect soon to see its editors in the front ranks of journalism.

Delicious refreshments were served by the ladies, which was a fitting climax to one of the most pleasant socials ever given in this old Church.

It is the earnest desire of all that these affairs may continue and that each time may grow better.

## FALLING PLASTERING

Badly Frightens Two Ladies, Who Thought it Was Burglars

Sunday night between 10 and 11 o'clock, Mrs. Amelia Bendle, residing at the corner of Second and Short streets, was very much alarmed and frightened by a mysterious racket and noise in her dining-room, and having only the companionship of a young lady, there being no men folks about the house, they imagined all sorts of dire and calamitous things—burglars and whatnot.

The sitting-room is over the storeroom, and the two frightened women sat at the window that they might call some one to their aid.

Mr. Charles Black happening along, was informed of affair, and, being admitted, proceeded cautiously to investigate. Wending his way to the scene of disturbance, he found that the plastering on the dining-room ceiling had fallen off and the dishes on a nearby table had greatly suffered thereby, canceling all the racket and almost frightening the wits from the occupants of the house.

A WRITER in Sunday's Commercial Tribune gives expression to the following truthful little sermon, which will bear careful perusal and mental digestion:

"There is more nervous energy wasted, more nervous strain generated, more real physical harm done by superfluous talking than any one knows, or than any one could possibly believe who had not studied it.

"I am not considering the harm done by what people say. We all know the disastrous effects that follow a careless or malicious use of the tongue. That is another question.

"I simply write of the physical power used up and wasted by mere superfluous words, by using 100 words where 10 will do—or 1,000 words where none at all were needed."

## LOST IN THE STORM

Terrible Experience of Bessie Shaw of Lewis County—Dazed She Wandered for Twenty

Hours—Found Uninjured

One of the most singular occurrences ever recorded hereabouts happened in Lewis county last Monday afternoon.

Near Ribolt, some fourteen miles East of Maysville and in Lewis county, last Monday afternoon about 3 o'clock Edwin Shaw, a prosperous farmer, was setting out tobacco and was being assisted by his family. His pretty little 9-year-old daughter Bessie was left in charge of one of the horses while her father was in another part of the tobacco field. About 3 p. m. a storm suddenly came up accompanied by a terrific downpour of rain and hail.

Shaw became alarmed and rushed to where his daughter Bessie had been left with the horse. To his surprise she was nowhere to be found. Thinking she had run home he quickly followed but was informed by his wife that the child had not returned.

Now doubly frightened over his daughter's safety, he pugged on through the storm to where he had left her and searched everywhere for her, but could see nor hear her anything of her. Frantic, the agonized parent aroused the neighborhood and in an hour scores of kind friends were scouring the vicinity for the lost child, but no trace of her could be discovered.

The crowd of searchers grew into hundreds and the alarm got out that the child had been murdered or kidnapped. Night came, but the disappearance of little Bessie was still enveloped in mystery. The heartbroken parents gave her up for dead, as it was thought it would have been impossible for her to have survived if she remained out in such a storm.

Still the search went on all night and until till late Tuesday morning, when all hope was abandoned and the search for her body stopped.

About the noon hour, some of the searchers returning home, stumbled across the form of the missing child lying on some driftwood near the Salt Lick bank four miles from her home. She was alive and well apparently, but was exhausted and her clothing torn and bedraggled with mud. She would give no reasonable cause for her disappearance, only saying that she reckoned she was afraid the storm was going to kill her and she ran away. She had wandered seven miles from home and had been exposed to the elements for 20 hours and

had passed the entire night alone in the woods. Bessie was at once carried to the arms of her parents where tears of joy greeted her safe arrival. Some claim that the child was dazed by lightning which caused her to make such a remarkable journey.

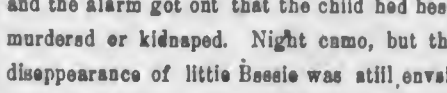

The above facts were telephoned THE PUBLIC LEDGER last night by Mr. James A. Savage of Lewis county, the father of Chester Savage, now awaiting trial for shooting his uncle in this county.

The college boys have about all returned home and together with the sweet school girl graduates are having an exceedingly pleasant time.

Mr. James McNamara, while descending a flight of stairs at his home in Front street yesterday morning, slipped and fell, straining his back enough to cause him much suffering. He was compelled to lay off from his regular employment for a day or so.

A letter received yesterday by a friend from Mr. Lenn Squires, who is at the Jamestown Exposition, states that the big show is a delay, well worth a visit. Mr. Squires will leave Jamestown Sunday for Atlantic City, where he will spend two weeks before returning home.

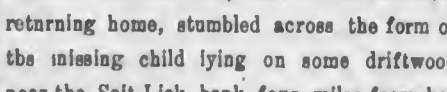

Yesterday at a Precinct meeting Dr. J. Allen Dodson was elected a member of the Democratic Executive Committee from the Second Ward to fill a vacancy created by the removal of Dr. John A. Reed to another Ward. James Adair was elected from the Hilltop, vice Charles Reed, who has taken up his residence in this city.

JAMES LATHAM.

James Latham died at his home between Lexington and Georgetown yesterday, and Mr. Dan Perrine, his brother-in-law, left on morning train on receipt of telegram.

Mr. Latham was a native of this county and has many relatives here.

GRACE—OURSER.

Mr. Harry B. Grace, aged 21, and Miss Edith Oursler, aged 21, an exceedingly handsome couple, who gave their place of residence as Jackson, O., were married yesterday afternoon at the M. E. Parsonage in West Second street, Rev. G. W. Burton officiating.

### STATE TAXES

How Mason and Several Surrounding Counties Line Up

The total valuation of real and personal property in Kentucky as equalized for taxation by the State Board of Equalization is \$717,982,913, an increase over the assessment of last year of \$39,940,995.

On the equalized assessment the state will collect in taxes the sum of \$3,589,914.55 as against \$3,390,209.60 for 1906, an increase of \$199,704.95.

Auditor Hager began Monday certifying the equalization of the assessment of each county to the proper collecting officers.

The amount of taxes due from the counties in this section is—

Bracken	.....	\$17,051 46
Fleming	.....	27,182 65
Greenup	.....	10,605 33
Lewis	.....	12,311 35
Mason	.....	43,558 78
Robertson	.....	4,860 42

Jefferson county, of course, pays the largest amount of taxes, \$793,769; Fayette is next with \$178,393; Kenton is third with \$165,651. Campbell is fourth with \$112,922, Davies fifth with \$75,917. Menifee county pays the smallest amount of taxes, only \$3,334.

## ESTATE APPRAISED

Value Fixed of Property of Late Robert T. Marshall

*Fleming Gazette.*  
R. S. Hudson, C. E. Shekell and Hiram Jackson, made an appraisal of all the personal property of the late Robert T. Marshall last week and fixed the value at \$28,535.22, exclusive of exemptions. This is considerably less than was expected, and evidently less than Mr. Marshall thought he was worth when he wrote his will.

At the present time the total estate exclusive of exemptions is estimated at \$70,000, and the total indebtedness at \$90,000. Some of the creditors are secured by mortgage but there is now some talk of the validity of the mortgages being attacked on the ground that they were made by Mr. Marshall when he was insolvent and that partiality was shown in securing some and leaving others unsecured. Should the mortgages stand, however, the unsecured creditors may get 25c on the dollar.

Mrs. Marshall has renounced the will and will claim what the law allows, which will be about \$18,700, which includes life insurance payable to her and exemptions allowed by law.

Gage marks 20.3 and rising.

The Keystone State is due down this evening from points above.

The Harry Brown is en route to Cairo with thirty barges of coal.

Some beautiful lots in the Sixth Ward on the streetcar line, suitable for residences of moderate cost.

# HOUSES

Houses ranging in price from \$500 to \$7,500, located some on Third street and some on Fourth street.

A particularly desirable 5-room house, lot with 70 feet front, on West Third street, that I can sell for \$850; a bargain.

Good two-story house, located on the North side of Second street in the Sixth Ward, all in good repair, which I am offering at \$2,200.

#### NEW SCHEDULE

C. and O. Will Put on Additional Trains This Month

The Chesapeake and Ohio Railroad has announced its last postponement of the date when the new special Exposition trains will be placed in service.

It has been decided that owing to the incomplete stage of the Exposition at Jamestown, there is no necessity for the three new trains on June 16th as was announced some time ago, and the officials state that the postponement of the service to June 30th, is positively the last postponement.

By July 1st it is expected that everything will be in readiness to accommodate all who go to the Exposition and the two trains on the C. and O. will give the best service to the people along these lines.

The big Fair was opened April 26th, before anything on the grounds was in proper shape, but at the time it was thought the special trains on the railroads would be ready to go in service on May 26th, one month from the opening day of the Fair.

When the time came the Exposition was so far from complete that it was decided to postpone the special service until June 16th, and now the third and last postponement means a beginning of the special service on June 30th.

#### IT'S YOUR KIDNEYS.

Don't Mistake the Cause of Your Troubles. A Maysville Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Maysville people testify to permanent cures. W. H. Paul, carpenter by trade, living at 333 East Third street, Maysville, Ky., says:

"I value Doan's Kidney Pills as highly today as I did when I first used them in 1893. I got a box and used it for a pain in my back and other evidences of a disordered condition of the kidneys which had given me much trouble for two years or more. This remedy acted promptly and I was soon cured. I did not notice any of the difficulties until a year ago. I again procured Doan's Kidney Pills and all symptoms of the trouble were quickly and thoroughly removed. Since then I have not noticed any signs of trouble of any kind arising from my back or kidneys. I most cheerfully re-endorse Doan's Kidney Pills for they are certainly worthy of recommendation."

For sale by all dealers. Price 50 cents a box. Foster-McBarn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
